Conference Notification

2013 International Conference on Information and Communications Technologies

IETICT 2013, Beijing, China

27th -29th April, 2013

The 2013 IET International Conference on Information and Communications Technologies (IETICT2013) will be held at 27th -29th April, 2013, in conjunction with China-Ireland International Conference on Information and Communications Technologies (CIICT2013).

More than 50 experts from overseas and leaders from National Fund Committee will attend the Conference, Keynote Speakers will be Prof. Andy Hooper (the President of IET) from the University of Cambridge, Prof. Gerd Ascheid from RWTH Aachen University, Prof. Patrick McNally and Prof. Barry McMullin from Dublin City University, Prof. Sakir Sezer from Queen's University of Belfast, Prof. John Ringwood from National University of Ireland Maynooth, Prof. Liang Zhou from Nanjing University of Posts and Telecommunications and Dr. Qiang Wu from Dublin Institute of Technology. The Session Chair will be Dr. Sabine Moebs and Prof. Josef Van Genabith from Dublin City University and other experts from overseas.

IETICT 2013 aims to provide an international platform for both academic scholars and industry leaders who are working on information and communications Technologies to share knowledge and research results.

Registration Fee:

Authors (Student/IET Member): 400USD/ 2400 RMB

Authors (Non-student): 440 USD/ 2600 RMB

Non-author: 240 USD/ 1400 RMB

Non-author (IET member): 200USD/ 1200 RMB

Conference Registration:

—IETICT Conference Website http://www.ietict.org/index.html

—Conference Registration is available: http://www.ieccr.net/academic/en/login.jsp?cid=1024

Notes：

1. All authors **MUST** make a presentation for their paper by oral or poster. If not, the paper will not be included in the conference proceedings

注：所有作者要求**必须**以口头报告或者张贴海报的形式，对自己的文章进行表述。否则，文章将不会被收录在会议论文集中

2. If you would attend the conference, please finish the conference registration at
    http://www.ieccr.net/academic/en/login.jsp?cid=1024 before April 15, 2013

注：如参加会议，请于 2013 年 4 月 15 日前完成网上会议注册。

3. If you could not attend the conference, please mail back the PPT poster of your paper to
    ietict2013@gmail.com before April 15, 2012   The Mould （Template） of Poster is
    decided by author.

注：如不能参加会议，请将论文海报的电子版 PPT 于 2013 年 4 月 15 日前发回至邮箱，

海报模板自定。

2013 IETICT Keynote Speakers：

Prof. Andy Hopper

----Professor of Computer Technology and Head of the University of Cambridge Computer Laboratory and elected member of the University Council.

Prof. Sakir Sezer

---- Professor of Queen's University of Belfast and Program Committee Member of Reconfigurable Architectures Workshop and Publicity Chair and Industrial Exhibition Organizer of FPL 2001 and the Member of IEEE and IEE.

Prof. Gerd Ascheid

---- Professor， heads the Institute for Integrated Signal Processing Systems of RWTH Aachen University and the coordinator of the UMIC (Ultra-high speed Mobile Information and Communication) Research Centre at RWTH Aachen University.

Prof. Patrick McNally

---- Professor， heads of The School of Electronic Engineering in Dublin City University and also directs The Rince Institute's Nanomaterials Processing Laboratories，the Chief Technology Officer & Founding Director of Sonex Metrology Ltd....
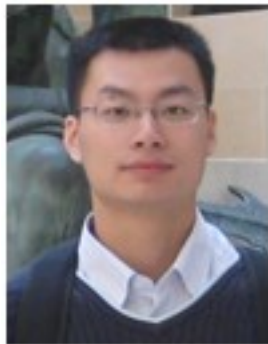

Prof. Barry McMullin

---- Prof. McMullin served as DCU's first Dean of Teaching and Learning. He was appointed to the rank of Associate professor at DCU in September 2005; and became Director of the Rince Institute (an Irish national research centre specializing in engineering technology innovation) in February 2010.

Prof. John Ringwood

----Professor of Electronic Engineering and Associate Dean for Engineering in the Faculty of Science and Engineering at the National University of Ireland, Maynooth.

Prof. Liang Zhou

----Professor in Key Lab of Broadband Wireless Communication and Sensor Network Technology (Nanjing University of Posts and Telecommunications). He receives Best Paper Award from IEEE ICC 2012.

Dr. Qiang Wu

----a Stokes Lecturer post in the School of Electronic and Communications Engineering and the Photonics Research Centre, Dublin Institute of Technology. He is also an adjunct professor in Beijing University of Posts and Telecommunications.

Time		Program	Venue
27th April	13:00-21:00	**Registration**	North Gate Hall, BUPT High-Tech Mansion HOTEL
	18:00-19:30	**Buffet**	2nd Floor, BUPT High-Tech Mansion HOTEL
